## WHAT IS IT?

“Huffin’ Puffin’ Structure!!” is a challenge involving planning, communication, deep breaths and teamwork! It’s fun, energetic and upbeat, and it creates a tangible result and a great feeling of success.

## HOW DOES IT WORK?

The team has to plan and build a structure from the balloons and other materials provided in your pack. Their brief has restrictions, and they must meet the requirements of the brief before the task commences.

The quality of their work is tested on completion (and often to destruction!).

More than one team can take part, and when you have a number of teams competing against each other and the clock, its a real fun challenge!

## WHAT DO YOU GET FOR YOUR MONEY?

“Huffin Puffin Structure!!” is delivered in a silver attaché case with all of the equipment you need to run the activity for 3 teams.

The Facilitator Guide, Handouts, PowerPoint slides, Evaluation sheets and Action plans are provided on a CD and can be re-used and re-printed as often as you like. There are no restrictions on how often you use the materials provided, which makes this Complete Team Challenge remarkable value for money.
